## OUTDOOR Command Your Path

Built for adventure seekers, this rugged variant offers enhanced functionality to tackle any terrain with confidence and durability. Experience unmatched versatility and advanced technology that make outdoor exploration effortless and exhilarating.

### TOUCH-ACTIVATED 4-EYE LED TOP-LIGHT

A user-responsive 100W 6000 lumens LED lighting system that provides additional light output for night driving and off-road use.

### HOOD SHIELD

An aesthetic enhancement that adds a sporty appeal.

### TERMINATOR LED HEADLAMP PROTECTOR

Enhances functionality and style by providing superior protection for the headlights while ensuring optimal visibility in harsh conditions and improving the vehicle's overall appearance.

### TERMINATOR GRILLE

A re-engineered grille with a robust design, improving airflow and giving the front profile a more aggressive look.

### FRONT BUMPER LED

Upgraded 20W 1500 lumens LED lighting integrated into the front bumper for superior road visibility in low-light conditions.

### SIDE PROTECTOR

Reinforced side panels that protect against debris and wear while enhancing the vehicle's side profile with a premium finish.

### REAR SPOILER

Aerodynamically designed to reduce drag and improve stability at higher speeds, with a finish to match the vehicle's design.
